

## BROOKHURST PRIMARY SCHOOL

### CHARGING POLICY

#### SCHOOL ACTIVITIES LUNCHES MILK DELIBERATE DAMAGE

The governing body of **Brookhurst Primary School** has adopted the following policy in connection with the matter of charging for school activities.

1. The governing body endorses the policy of the Wirral Local Authority (LA) with respect to charging for school activities. This policy backs the principles that education in maintained schools should be free and that no pupil's education should be affected by his or her parents' / carer's unwillingness or inability to pay or contribute towards the cost of the pupil's education.
2. Pupils should not have to pay for any materials, books, instruments or other equipment which they use in connection with education provided during school hours. However, the school may charge for, or ask for ingredients or materials for, practical subjects where parents have said that they want to own the finished product.
3. The school will not charge for staff or material costs at residential centres, or for travel to and from outdoor centres if the visit takes place during school hours, However, we may charge for travel if the visit is an optional extra.
4. The school will charge for board and lodging at residential centres. Remission on these charges will be available if the parents/carers are in receipt of the Free School Meal benefits when the visit takes place.

Parents should contact the Headteacher in the first instance.

There is no requirement to complete any forms and the cost will be met by the school from the school budget, school funds or Pupil Premium as determined by the Finance Committee. If the school does not have sufficient funds to meet these costs, the Headteacher may cancel the trip.

5. School trips and visits form an important part of the curriculum offered by our school. Parents are not required to pay for such visits, but may be asked to make voluntary contributions towards the cost. No pupil will be excluded from a school trip because of their parents' unwillingness or inability to contribute, however, it is hoped that parents will feel able to support the school in its efforts to provide a full and interesting curriculum for all its pupils. If the contributions made are not sufficient to enable a planned trip to take place, the Headteacher may cancel the trip or make such changes to the organisation of the trip as he/she thinks necessary.

6. For activities defined as “optional extras” under the Education Act 1996, the school will charge for board and lodging, travel, materials, books or other equipment, entrance fees, teaching and non-teaching staff and any other costs for providing the activity. If parents would like their children to take part in such activities but are unable to meet the full cost, financial assistance may be available; the Headteacher is happy to talk to parents in confidence about that possibility.
7. Parents may be asked for payment towards the cost of repairing or replacing any part of the fabric of the school or any item of school property which has been damaged or lost as a result of their child’s behaviour.
8. Music tuition is available to all pupils in KS2. There is a charge for the service provided by Wirral Schools Music Service and our independent music tutors. Remission fees may be available for those parents in receipt of free school meals benefits. Charges are applied on a rolling contract basis for blocks of 10 weekly lessons and may be paid in instalments. Four weeks’ notice must be provided to the Headteacher or School Office to cancel future lessons and must be paid during this notice period. Lessons are chargeable if a child is absent, except when attending an organised curriculum activity. There will be no charge for lessons if the tutor is absent.
9. School milk is provided by Cool Milk and is provided free to pupils under the age of 5. It is the parent/carer’s responsibility to register their child and pay direct to Cool Milk after their child’s 5<sup>th</sup> birthday. If requested milk will be provided for KS1 children in receipt of the Free School Meal benefit at a cost to the School.
10. A “Schedule of Charges” will be compiled annually and agreed by the Governing Body. This will include any services provided by the school where a cost is incurred including music tuition, water bottle sales and school lunches.
11. School meals are provided by Dolce for all children and staff if requested. Universal FSM for KS1 are booked and charged to School. KS2 meals are paid direct via their Schoolgrid system. Children eligible for FSM benefit book their meal which will be invoiced to School. It is the responsibility of the parent/carer to cancel a meal before 8.55 am on the day a meal is no longer required, or they may be charged.
12. School meals may be given free of charge to staff and/or visitors at the discretion of the Headteacher.

**Approved at Finance Governing Body Meeting 18 February 2022**

**Approved at Full Governing Body Meeting 18 March 2022**

**Chair of Governors \_\_\_\_\_**
